We had a call yesterday from Mr John D Jesse, of this city, who came direct from Kentocky via Cumberland Gap. He left Frankfort on the 4th instant, the day on which the Onefederate governor was inaugurated. There were some thirty thousand troops present on the orcraton, and the display, he says, was probably Major Bore. Laxington and other points, which gave rise to ige Advocate, etc., you auswered, "that it is the Yankee report of an evacuation, all of which Mr. Juste assures us is mere gammon. He repshall get much advantage of the other; that resents the Confederate army as in the best possible condition, and is high spirits. They are austed, when we will make a compromise and well supplied with every necessary, provisions of all sorts being furnished with elacrity by the

As regards the public sentiment of Kentucky. Mr. Jesse thinks there can be no doubt of its Wichidam ing strongly on the side of the Confederacy Owing to the uncertainty of affairs, none knowing which army will be in possession to-mor STRAVED OR STOLES row, man are continue in expressing their opinions in public and making a demonstration on aither side, but a Confederate victory and the expension of the Federals, he thinks, would resuit in almost a maximena declaration for the South the very first moment we can put arms the Union. There were some, though, every community, who were ready to awallow Lincels, emancipation and every other form of terapay in their haired to "the d-d rebels." He saw Kirby Smith, Marshall, Stevenson, and ther officers at the teauguration, and converse th some of about who expressed great con lence in expelling the Yank es and saving
